DogsACT eNewsletter

## FROM THE OFFICE

Dogs ACT are pleased to advise that we have opened our doors again from the 16th June 2020. Office hours 9.30am -2.30pm Tuesday, Wednesday and Thursday. For entry please go along Wells Station Road & come into the 2nd gate (Farmers Market gate) then left into the car park behind the Dogs ACT office building. All COVID-19 Rules will apply with 1 person in the office at any time plus a hand sanitising regime. If you are feeling unwell please do not come into the office but contact us via email or telephone. We look forward to seeing you again, while we wait for our events to recommence.

- A reminder to our members that when they neuter a dog they need to advise the office, fill out the 'Application For The Transfer Between Registers' form, supply a vet certificate and this is a \$20 transfer fee.
- Memberships are only for 12 months only. So each year you will need to renew with the office.
- If you transfer into the ACT you will need to fill out the 'Application for Membership'. You will need to indicate that you are wishing for your dogs, prefix and judges licence to be transferred over.

# Presidents Report

This has been a crazy time to be thrust into the position of the Dogs ACT President role however I'm thoroughly enjoying the challenge!

I must first acknowledge our members and their patience and support of our club during these difficult times. Please remember if you need help or support during these times, reach out, we are here to provide support if you need it. I must also acknowledge our wonderful staff member Robyn O'Keefe who has kept our office functioning right throughout the shutdown. She has been working hard processing titles, litters and answering many enquiries. I would like to remind everyone to please be patient as this is a very busy time for the office as we prepare for the end of FY reporting.

We are putting a few strategies in place to assist with the increased workload. The Dogs ACT Council has also been working hard behind the scene. Peter Miller was able to set up Zoom which not only came in handy for our Council meetings and was great for judges training to continue. We have also developed a Dogs ACT Executive and Council Behaviour Policy and Code of Ethics. We believe that we all need to create a productive and harmonious environment where we can aspire to achieve our full potential and working together to better service Dogs ACT members.

As many would know EPIC is currently being used as a COVID-19 testing Centre. Council was able to negotiate with the ACT Government to allow us to recommence our Puppy and Show training classes.

I would like to thank Danielle Small who was the lead on this negotiation and developed the Dogs ACT COVID-19 plan. The COVID-19 plan has very strict guidelines that we must adhere to and has been signed off by the Government.

I need to stress that we expect our members to listen to all instructions provided to them, including entering the Dogs ACT office via the back entry car park off Old Wells Station Rd. Failure to abide by these instructions could mean that our classes may be shut down. Your health and safety is our number one priority.

Our AGM now has a set date of the 8th September 2020. We invite our members to have their say and come along. I encourage all member's to view the Penalty Guidelines and to provide any feedback to [admin@dogsact.com](mailto:admin@dogsact.com) by COB Friday 31 July 2020. These guidelines are help to Dogs ACT disciplinary subcommittee to making decisions that are fair and transparent. The guidelines will be an action item at the AGM for members to vote for or against.

A little bit about myself for those that I haven't met. I am an Executive Level Officer within the Federal Government with a background in Workforce Planning and HR Metrics. I have been a member of Dogs ACT for eight years. I currently show Cocker Spaniels; first started under the prefix of Bolwarra and now have a couple under my own prefix Neberden. I have been on the Dogs ACT Council for two years. I'm also a member of several dog clubs and volunteer my time on the ACT Gundog Society. I'm really proud of the work the current council has achieved to date under a very difficult climate. We have a lot more to do, and would love for some fresh faces with fresh ideas and a strong work ethic to come on board. I look forward to seeing you all in the coming months.

Kristy Neiberding  
DogsACT President

# ANKC News

The ANKC website has now been updated with the **Yakutian Laika** current breed standard. It has been added to the Group 6, Utility dogs.

## **FOREQUATERS (NEW):**

### **General appearance:**

Straight, parallel, strong, very well-muscled.

Shoulder: Shoulder blade sloping, of moderate length.

Upper arm: Muscular, sloping, of moderate length.

Elbow: Set well to body, placed backward.

Forearm: Rather long, parallel.

Metacarpus (Pastern): Short, strong, slightly sloping.

Limbs: Strong, muscular, straight, parallel.

## **2020 National Retrieving Trial - Cancellation**

The 2020 National Retrieving Trial was to be conducted by Dogs SA on 28 to 30 August 2020.

These trials are considered to be the annual prestigious event for Retrieving and Field Trial and taking into account the involvement of a significant proportion high risk participants; lack of handler/dog competitive preparation and the uncertainty of all borders reopening to allow trailers from all State/Territories to participant at this event the National Retrieving & Field Trial Committee has decided for the 2020 event to be cancelled.

We are awaiting advice from Dogs SA as to whether they wish to reschedule the event and this information will be circulated once received.

# DogsACT Grounds Committee

Again over the past twelve months, the DOGS ACT Grounds Sub Committee has been working on a number of projects to improve and maintain DOGS ACT Facilities and Equipment. As I have said previously the ACT is extremely fortunate to have such wonderful grounds and facilities which often receive favourable comments from visiting judges and exhibitors alike.

Continual maintenance is required to the top and bottom event rings, as this is one of DOGS ACT's major assets. The event rings will continue to be maintained and fertilised, in order to keep them up to the high standard that they need to be over the Spring and Summer months when the grounds are used on a regular basis.

As you would be aware with the lack of rainfall encountered in the past twelve months, particularly during winter, spring and summer 2019, the durability of the event rings was tested to the max. This was due to the fact that we had two major weekends of events, these being the DOGS ACT October Long Weekend Shows and the Xmas shows held by the over a period of four days and the December weekend by the ACT ladies and CABKC , on both of these weekends some rather hot weekends. In an effort to prevent excessive damage to one of the rings, it was closed for use both in and early October and December. This was a decision that the Council did not take lightly. However to ensure Public Safety and the integrity of our event rings this decision was necessary.

We have continued to maintain the Office Building and Club House, and ensure that a maintenance and repair schedule for DOGS ACT assets is carried out. Maintenance and mowing has continued to be undertaken by DOGS grounds committee and lead turf manager Mr Neil Thompson, who has put in numerous hours on the grounds. This arrangement has worked well and has saved DOGS ACT the cost of employing either staff or outside contractors to undertake this maintenance. My thanks goes to Neil for an outstanding job for his with the managing of grounds and his enthusiasm in maintaining the grounds.

In closing I would also like to thank the members that take the time to stop me and other councillors and provide valuable feedback on the grounds. It is you the members that own and use the grounds and as such you play an important role in ensuring that the grounds are kept to high standard.

Simon Mills – Convenor  
DogsACT Grounds Committee

# DogsACT & COVID-19

As members would be aware there are some events starting to recommence across Australia. Dogs ACT have been in negotiations with the ACT Government and EPIC about starting our show training and puppy classes back up. You may be aware that EPIC is currently being used as a COVID-19 testing centre in the Budawang Pavilion. We will trial these classes and on the 31 August 2020 we will re-evaluate. This decision is continuously being monitored as the ACT Government eases restrictions, in alignment with the Federal Government policies, & the Council will review the August deadline weekly should there be a need to extend this further or bring it back. All canine controls are continuously reviewing their shut down measures & we are keen to see our members again doing what they love.

If you have ideas, views or a plan that you feel could work for events returning in the future we encourage you to send these in to us. We are committed to the safety of our members and strongly believe that we should hear your voices to assist us in making these future plans.

## News from DogsACT Council

The Dogs ACT Council has developed Penalty Guidelines for Dogs ACT members, resident in Canberra only, on which they can comment before the 11 August 2020. This will be discussed at the Dogs ACT AGM. It has been developed so that there is clear procedural fairness when the Dogs ACT Council investigate matters. It also makes it clear to everyone what the consequences may be for specific actions. Dogs ACT Council must take into consideration many factors when deciding on appropriate penalties. Council feel that this Guideline will keep the penalties transparent, fair & consistent. It reminds us all that our choices may have some serious consequences.

Please keep in mind that no current matters will be subject to these guidelines but will take effect once implemented. To check the Guidelines please check the website here, sending your constructive comments to [admin@dogsact.org.au](mailto:admin@dogsact.org.au) with a title of 'Penalty guidelines comments'.

# News from DogsACT Council

Ms Robyn O'Keefe is currently acting in the Role of Administrator for a further 3 months. She has been doing a wonderful job in this role in keeping the Office and Dogs ACT functioning during this health pandemic. Dogs ACT has advertised on our Facebook and Website for an Administrative Assistant for a 3 month period. Application are due by COB Thursday 25th June 2020.

As many would be aware the Dogs ACT AGM will be coming up towards the end of the year. Have you thought about sitting on the Dogs ACT Council? Do you have a passion for the Dog world? Are you an innovative strategic thinker? Are you able to work in a cohesive group with a common goal to achieve positive outcomes? Are you a solution based person? So many of our members have many different skills and knowledge that could that could only enhance Dogs ACT.

An official date is still yet to be set due to Covid-19, but we will announce it as soon as we have it set. In the meantime please check out our Dogs ACT Executive and Council Behaviour Policy and Code of Ethics (found on the website under Rules & Regulations). This will give you a clear idea of what is expected of you in this role.

# A Pooch Affair - POSTPONED

Unfortunately, A Pooch Affair, has had to be postponed for 2020 due to the COVID-19 pandemic. A new date will be announced in the future for a 2021 date.

## Show Dog/Puppy Training

We are very happy to announce that EPIC and the ACT Government have given us the green light to commence show dog/puppy training from the 17th June 2020. Keep an eye on the 'Canberra Area Show Dog Socialisation and Training' Facebook page for further updates.

- Bookings for training are essential! They can be made through Show Manager.
- No spectators.
- Attendees are to enter EPIC via Old Wells Station Rd and park at the back of the Dogs ACT Office.
- You will be required to fill out an attendance form.
- Hand sanitizer will be provided and members will be encouraged to use it
- Social distancing is a must!

We are committed to keeping our members safe while providing a fun learning space. The Council would like to thank Di Gooding and Caleb Fryar for all of their hard work. Their volunteer work certainly doesn't go unnoticed and we are very lucky and grateful to have them.

# Puppy Pre-School is BACK!

Classes are every Thursday and bookings are to be made through the office. We would like to thank Melanie Newman Salon Essentials for their donation for our puppy packs!

## Puppy Pre-School

Dogs ACT (DACT) is the peak body for Dog Ownership, welfare, care and training in the ACT region. This gives you peace of mind that you will receive practical, relevant and up-to-date information and guidance with your puppy, enabling you to enjoy your newest family member and have the confidence that he/she will be well mannered and socially adjusted.

**Qualified and experienced instructors**

**Reward based, balanced training techniques**

**Clean, safe and dedicated premises**

At DACT Puppy Pre-School our focus is on **how dogs learn and socialise** as well as **general care and welfare**. The topics covered include:

- The Critical Socialisation Phase
- Operant conditioning
- “Capture” and “Lure” training techniques
- The Principles of Socialisation
- Puppy health and general care

# Meet The DogsACT Council

## Judith Barlow

Training my ACD/terrierX opened up for me the world of ANKC dog sports and then my first pedigree Finnish Spitz into conformation. She was the first Grand Champion in Australia and to train her I learnt a great deal more about dog training! I seem to have settled to Brittany's, such an energetic gundog breed and so enthusiastic. My dogs have titled in Obedience, Agility, Endurance, Conformation, Rally, Gundog retrieving and Lure Coursing. My third Brittany competes in most of those sports and we are also training for Tricks, Sled Sports and Tracking – she does love to work!

I have been a member of Dogs ACT/ACTCA/CKA for about 28 years and have been on Council for four years. Along the way I have been Secretary of the Hound Club, have had previous terms on Council and am now Secretary of the Gundog Society. I hope to be elected to Council for another term.

My aim was and is to help Council and members with all the dog sports. I believe in communication, communication, communication and when we have done that, do it again and again! The ANKC recognises and awards 122 different titles in Agility, Rally, Obedience, Flyball, Tricks, DWD, Tracking, Track & Search, Lure Coursing, Endurance, Herding, Draft Test, Sled, Retrieving & Field and with the new sport of Scent Work, another four. There are lots of fascinating ANKC dog activities and I encourage all Dogs ACT members to give them a go!

## Linda Stevens

I am standing for DogsACT Council again, after around 20 years of continuous service as a Councillor.

For those who don't know my story I have very broad and deep experience and knowledge of dog matters through my lifelong involvement in the ACT dog world. I have bred and exhibited Miniature Long Haired Dachshunds for over 40 years and have had experience owning and exhibiting a number of other breeds in the Toy, Gundog and Working Groups.

I have also trained and trialled in the Obedience ring. I have extensive Club membership and experience (Hound Club of the ACT, Belconnen All Breeds Kennel Club, ACT Junior Kennel Club, Canberra All Breeds Kennel Club and the ACT Ladies Kennel Club). I am a Life Member of both the ACT Ladies Kennel Club and the ACT Junior Kennel Club. I have held an Executive Position in the ACT Ladies Kennel Club for almost 40 years, and I am currently Secretary. I have also been Show Secretary for All Breeds shows in the ACT every year for over 40 Years.

I have extensive judging experience in all groups. I began judging 30 years ago and I am licensed by the Australian National Canine Council to judge at All Breeds level. I have judged at this level both Internationally and domestically for over 16 years. A highlight of my judging career to date was the honour of judging all Sweepstakes at the 2018 Royal Melbourne Show.

As a Councillor over the years I have been involved in the various Judges Training Schemes as Group convenor, mentoring, providing lectures, assessing etc. I currently convene the ACT Breed Sub Committee which considers and reports on matters related to individual breed issues. I also am the DogsACT representative on the ANKC National Conformation Committee. I hope to continue to serve the ACT dog community through DogsACT Council and look forward to assisting and supporting the growth and strength of our wonderful hobby and lifestyle.

# Meet The DogsACT Members

## **DANA SIMONSEN**

### **How long have you been a Dogs ACT member?**

I became a DogsACT member in November 2016. My first obedience instructor at ACT Companion Dog Club finally convinced me to change my dog from Limited Register to Main Register, and with the support of our breeder I transferred registers and applied for DogsACT membership at the same time.

### **What breed/s?**

I've only owned Old English Sheepdogs – providing the best Sunday sheepie sleep-in you'll ever have that I decided to get another! I currently have two OES.

### **What brought you into dog sports?**

My fiancé and I always wanted dogs. He grew up with an OES, and it turned I out had no say in the breed! Before we got our first dog we decided we wanted a 'pet' dog who would do everything with us, and we would continue to train him once puppy classes finished. I joined ACT Companion Dog Club October 2015 and formed wonderful friendships who introduced me to more dog sports. I started with obedience, and from there I have participated in agility and rally obedience, and of course conformation.

### **What would be your greatest dog achievement to date?**

I enjoy seeing conformation and trial catalogues where exhibits have both conformation and sports titles. In 2018 my first OES gained his Neuter Champion Title, and in 2019 he gained his Strategic Pairs Dog title.

### **What do you like most about being a Dogs ACT member?**

As a DogsACT member I am able to compete in multiple dog sports, and with that, comes the opportunity to have my voice heard. Last year I contributed to the DogsACT submission for the Agility Rules Review in 2019.

### **What would you like to see implemented or changed at Dogs ACT?**

DogsACT office staff are very helpful during their open hours and through email. It would be nice to have the website refreshed and updated to provide information that is easier to access without the need to contact the office directly.

## LISA KEOGH

### How long have you been a Dogs ACT member?

I have been a member of Dogs ACT for just over two years

### What breed/s?

I have Boxers.

### What brought you into dog sports?

Nearly twenty years ago my ex-husband and I purchased our first Boxer from Thasrite Boxers. We were going to show and breed but, in the end, we opted not to.

My next Boxer happened to be white and with his breeder I started to attend dog shows and just watched. I found it just so fascinating. Having done obedience with my white boy, I found that showing also seemed to be a lot more social.

It wasn't until I lost my white boy. My current partner suggested that I should finally get the show puppy that I always wanted, and it really only took one show to get me hooked. I mean you have to love it if you are quite willing to run around a wet muddy ring in the middle of winter.

### What would be your greatest dog achievement to date?

My greatest achievement to date was at the Utility Group Open Show in October 2019. In this show she was shortlisted for "Best in Show" as well as taking out "Best Intermediate in Show."

I know its not a championship show, we were up against some of the big hitters in the Utility group, and with my girl being a little temperamental, this is what has stood out for me. The feeling you get when they call your breed is second to none.

### What do you like most about being a Dogs ACT member?

Even though I have been showing for two years I still feel that I am somewhat of a newbie. Everyone is so friendly and helpful. I can ask the office girls a question and if they don't know they get back to me quite quickly.

### What would you like to see implemented or changed at Dogs ACT?

My partner often tells me that he has received an email telling him when the next meeting is going to be held. The only thing that I would love to see implemented was every member receive the newsletter via email.
