TEMPORARY CHANGE TO ANKC AGILITY RULE REGARDING LEADS AND COLLARS

Current Rule:

7.2.1 On the Steward's call of the dog's catalogue number, the Handler will enter the ring via the entry point, with the dog on lead and follow the Steward's and/or Judge's instructions. The lead and harness or head collar must be removed, the collar may be removed and all items handed to a Steward.

The temporary modified Rule:

‘7.2.1 On the Steward's call of the dog's catalogue number, the Handler will enter the ring via the entry point, with the dog on lead and follow the Steward's and/or Judge's instructions. **The lead will be removed, the collar maybe removed. The Handler will either place the lead/collar in a pocket whilst running the course or wear it on them (e.g. clipped around their waist like a belt). If any of these items fall to the ground or the dog grabs the lead while running the course this will result in a DQ. The lead/collar must be inaudible and if not this will result in a DQ.’**
