## Entry Restrictions

The trial will be split into two groups based on your geographical location – Restricted and Open – with a total cap of 110 dogs. For the restricted trial, entries are restricted to people living within the area identified below (110km from Canberra City) plus anyone living in the south coast area from Batemans Bay to Eden (includes Cooma to Bega). The address provided in Ready Entries will be used to accept or reject entries.

## Balloting Information

Entry into this trial will be via Ready Entries ballot. When the ballot is open for entry, you will need to create one ballot application per dog you'd like to enter (maximum of two ballot applications per Ready Entries account). There will be one ballot for the Restricted group and a second ballot for the Open group. Please only enter one ballot. Anyone who enters both ballots will have all applications rejected.

### How Do I Enter The Ballot?

- Go to the **View Event Group** page for this event
- Click the **APPLY FOR BALLOT** button to show the **Apply for Event Ballot** section
- Scroll down to the correct event (Restricted or Open)
- Select the class (100m)
- Click the **SUBMIT BALLOT APPLICATION** button
- If you wish to submit a second application, click the **SUBMIT ANOTHER** button and repeat the above process

### How Do I Know I've Entered The Ballot?

After you submit your application, you will see a little prompt telling you that you have submitted your application. If you return to the **Apply for Event Ballot** section later, it will show you a list of your ballot applications for the event.

Ready Entries will send you an email confirming that you have submitted a ballot application. You can also check your ballot applications on your **My Entries** (<https://readyentries.com/my-entries>) page.

If you have entered the wrong ballot, or accidentally entered both ballots, you can remove your ballot application via the **Apply for Event Ballot** section or your **My Entries** page.

### And I Can Only Enter One Ballot?

Yes. Please minimise the administrative load for the trial manager and only enter one ballot. If you live within the restricted area, enter only the Restricted ballot. If you live outside the restricted area, enter only the Open ballot. The ballots will be compared before either is drawn, and anyone who has entered both will be removed from both.

The ballots will be biased towards those living in the restricted area. The Restricted ballot will be drawn first, and all unsuccessful Restricted applications will be added to the Open ballot before it is drawn.

### How Do I Enter?

When the ballot is run, if you're successful then you'll receive an email from Ready Entries telling you that you can now enter the event. You'll have to go to the View Event Group page and click the **ACCEPT BALLOT INVITE** button to access the entry screen.

### What's the Timeline?
