Entry should be via gate 4 Stirling Ave, EPIC highlighted here in purple follow the purple till you get to the big shed used for farmers market (and all competitors must park where Ive highlight in red so either in the shed or just behind it and toileting just between there till you get to the road where dogs act is opposite. If you have any issues with gate 4 they always leave gate 9 (campers entrance) open - that's entrance with the big double gates down on wells station road - prob the 3rd or 4th gate down off federal hwy.

Check in will be there at the shed in the red area. I don't want you parking in the blue along the road till after the trial has finished running as it will disturb the dogs trialling or going back to their cars with everyone parking at the road.

Please do not check friends in unless they have actually arrived so we don't wait for someone on a catalogue to do a run if they're not there. Please text 0413 118 077 Debbie if unable to attend so we can withdraw you from the catalogue

Any triallers arriving after check in has closed will not be allowed to run.

Presentations - at the end of the day - please organise for someone to grab your qualie if you don't intend to stay for the afternoon session.

Toilets prob best at maccas before you come through as dogs act may be locked, toilets available at clubhouse hopefully just before trial will start.
